## Veranda Club Notes.

On Thursday, Oct. 16, the Veranda club enjoyed an autumnal outing by train to West Paris to observe the birthday of Mrs. Maude Mann who is a member of the club. It has been for two years the pleasant custom of the club to observe the birthdays of the club members with a party and supper. Many are the pleasant gatherings of this kind which the club has enjoyed. At each party the hostess is presented with a gift from the club by the president. She is also presented with a birthday card from each one present.

A fine supper is always prepared by the hostess and the members and when all are seated at the tables it would be hard to find a crowd of women more jolly than this club.

At the party just given a fine chicken dinner with mashed potato, celery, asparagus, hot rolls, doughnuts, cheese, cookies, assorted cake and pies was served. A bouquet of pinkies was placed in the center of the table. These were the gifts of Norway friends.

It was indeed a merry party that enjoyed the birthday dinner and good work was done to all the good things. Harlequin ice cream was also served.

At the close of the dinner all adjourned to the living room when the afternoon was spent in playing whist and games. Recitations by the hostess were enjoyed. She was the recipient of a nice chocolate set from the club, and many other useful articles too numerous to mention from other friends. After wishing the hostess many such pleasant gatherings the party returned home on the afternoon train, deciding it was a day well spent.

A birthday party in remembrance of the birthdays of Mrs. Virgie Murdock, Mrs. Susie Wentzel, Mrs. Addie Hill and Mrs. Alice Everett will be given at the home of Mrs. Virgie Murdock, Saturday evening, Nov. 1.

One of the most interesting meetings of the Veranda club was held at the home of Mrs. Alta Sheen on Pearl street, Thursday afternoon, Oct. 23. Early in the afternoon a nice party had assembled. The living room which is very spacious was filled with the members of the club and invited friends who knew the worthy object of this meeting. Everyone came well equipped with sewing supplies.

The hostess, assisted by Mrs. Marcia Millett, prepared work for the willing hands to finish. A splendid afternoon's work was accomplished. Sewing for poor families will be the work for the club meetings during the winter, such was the work of the entire afternoon.

A new member was added to the club of 25 members. Great interest is increasing in the club and much good work will be done by the club during the coming months.

Many good ideas were presented by the members, showing how we could do good work in several families. The ideas were readily taken up by the club and everyone present was in the best of spirits with the work. During the meeting the committees for the ensuing year were read by the new president, Mrs. Jennie Spring, who presided over the meeting in a very pleasing manner. The following officers will serve during the ensuing year: Pres. Mrs. Jennie Spring; V. Pres. Mrs. Addie Hill; Sec. Mrs. Virgie Murdock; Treas. Mrs. Addie Lovejoy.

At the close of the meeting the hostess assisted by Mrs. Marcia Millett and Mrs. Eva L. Fogg, served cocoa, sandwiches, assorted cookies, cheese, tarts and confectionery. It is hoped that the ladies of Norway thoroughly understand the object for which this club works. Charity is the sole object. Discarded clothing, bedding or anything in this line that everyone is present with a piece of it will be accepted by any of the club members, and a place can be found for every article donated.

If people would bear this in mind less old clothing and bedding will accumulate in your homes and a vast amount of good can be done among the poor families in the town and many children made comfortable for the winter which is fast approaching. Think it over.

Daniel Smith and family have moved to Auburn.

Mrs. Alice Oxnard is visiting relatives in Portland.

Luiz Benson of Biddeford was at home over Sunday.

A LOVELY FACE--

BUT UGLY HAIR

How often you see an otherwise lovely

face spoiled by homely hair--a face that

would be most charmingly beautiful if

she only had prettier hair. What a pity!

and how foolish! Because that ugly

hair, stringy, dull, lifeless-looking though

it may be, can be made as glossy, soft,

silky and beautiful as the hair could de-

sire if only taken proper care of.

Harmony Hair Beautifier. It is what

a hair dye or hair oil--it is just a dainty,

rose-perfumed liquid dressing to give the

hair its natural gloss and brightness its

way softness, its natural rich beauty.

Very easy to apply--simply spritzing little

on your hair each time before brushing it.

It contains no oil and will not change the

color of the hair nor darken gray.

"To keep your hair and scalp dandruff-

free and clean, use Harmony Shampoo.

This pure liquid shampoo gives an in-

stantaneous rich lather that immediately

penetrates to every part of hair and scalp

insuring a quick and thorough cleaning.

Washed off just as quickly, the entire

operation takes only a few moments.

Contains nothing that can harm the hair;

leaves no harshness or stickiness--just a

sweet-smelling cleanliness.

Both preparations come in odd-shaped,

very ornamental bottles, with sprinkler

tops. Harmony Hair Beautifier, \$1.00.

Harmony Shampoo, 50c. Both guaran-

teed to satisfy you in every way, or your

money back. Sold in this community

WOMEN SUBJECT TO

KIDNEY TROUBLES

I beg to say that I have been a con-

stant sufferer with severe pains in my

back and was on the verge of nervous

prostration resulting from kidney trou-

ble and other complications. A friend of

mine recommended Dr. Kilmer's Swamp-

Root as a sure cure for these troubles.

Acting upon her advice, I began taking

Swamp-Root and began to improve.

Before I had finished the first bottle

several bottles and continued to improve

until I was completely cured. I am

happy to say that I am as well as any

woman on earth and have been so for

past nine years, thanks to Dr. Kilmer's

Swamp-Root, and I cheerfully recom-

mend it to all who suffer from kidney

troubles.

Very truly yours,

The meeting was opened by L. E. McIntire, who introduced C. R. Leland, Assistant Dairy Instructor, representing the State Department of Agriculture, as chairman. Mr. Leland called on W. McFarren of Pennsylvania, who proceeded to address the audience in a very agreeable and capable manner on the subject of Dairying, giving his own experience as a practical farmer and dairyman.  
He said: "There is no higher profession, nor one more progressive than that of farming, and at the head of its fundamental producers of wealth, stands the dairyman. As representatives of the American farming industry, the dairyman takes no back seat. He gave instructive experiences in the breeding and feeding of dairy cows; described the ideal points of a perfect dairy cow, and said that a good mother is preferable in producing the best stock. In first feeding young calves, he described his method of using milk for that purpose, and warned against arresting the development of the growing animal. He treated at length of alfalfa as a forage plant, also of soy beans, clover, etc., and that clover is better than alfalfa. Alfalfa, he said, should be grown alone rather than with other plants.  
A sumptuous, regulation dinner was served at noon by the farm ladies of the home town of the evening trip. DeLoveny.

What will your old age be? It is up to YOU.

RICH OR POOR?

Don't get tangled in the web of debt or extravagance. Bank your money!

Every old man is the ripened fruit of his younger days. A man does not grow old over night. Age creeps upon us, and if extravagance is stealing away our money, age is stealing away our capacity for work and preparing us for a desolate old age. If you wish to be comfortable, you must begin putting away your money now, then when old age comes you can fall back upon the money you BANKED when you were younger.

Do YOUR banking with US.

## THE NEW FEDERAL INCOME TAX LAW

Goes into effect November first and all coupons dated March 1, 1913 and any subsequent date come under its provisions. The regulations for the collection of the tax, which the commissioner of internal revenue has issued leave the matter still in considerable confusion.

These provide that the source at which the tax is to be collected is the issuing company, and that no bank or trust company shall deduct the tax of 1 per cent. from any coupon presented for collection, provided a certificate of ownership is attached; but that if no certificate of ownership accompanies the coupon then the first bank receiving the coupon must deduct the tax of 1 per cent. and attach a certificate of its own, setting forth the person from whom the coupon was received.

Coupons from bonds of the United States, or its possessions, or a State, or any political subdivision thereof are tax-exempt, and no certificate need accompany them.

This bank has on hand these blank certificates of ownership which will be gladly furnished to any person desiring them.
